

STACKSTONE

A favorite of today's architects, StackStone provides a horizontal modern look while recalling the traditional beauty of snap-cut southern ledgerstone. With its narrow profile and minimal mortar joints, it evokes all the rustic charm of European handcrafted stone. Available in three natural, multi-toned color schemes, the system includes panels, corners, ledgers and synthetic mortar. In short, everything you need to achieve the upscale look of crafted stone, without adding excessive weight, time or cost.

FINISH STONE™

— NATURE REDEFINED —

Available Colors:

River Ridge

Stormy Sky

Desert Blend

STACKSTONE

Physical Properties*

Rigid, reaction injection molded polyurethane system. Density range from 12 – 14 lbs./cu. ft.

Std. Density**13 lbs**
 Compressive Strength**580 psi**
 Tensile Strength**470 psi**
 Elastic Modulus**17,180 psi**
 Flexural Strength**603 psi**
 Flexural Modulus**31,000 psi**
 Insulation**R-4.5**

Installation

Detailed installation instructions are available from your representative.

Warranty

20-year limited warranty. Details available from your representative.
